NOTICE OF APPEAL

Commissioner:

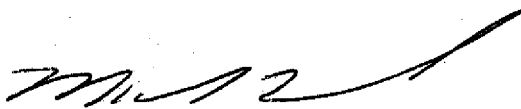

Applicants hereby **appeal** to the Board of Patent Appeals and Interferences from the last decision of the Examiner.

A Notice of Appeal and Reasons for Requesting Pre-Appeal Brief Review was filed in connection with this application on October 12, 2005. Prosecution of this application was subsequently reopened in accordance with the Panel Decision issued on November 28, 2005. Applicants hereby claim small entity status and as this application was previously appealed, the previously paid \$250, required for a small entity to file a Notice of Appeal, may be applied towards the fee required for filing this Notice of Appeal.

For the foregoing reasons, it is believed that no fees are due in connection with the filing of this Notice of Appeal. However, if any fees are due, the Commissioner is hereby to charge any such fees, or to credit any overpayments thereof, to Deposit Account No. 50-1515, Conley Rose P.C.

Respectfully submitted,
